

MULTI CLEAN ACTIVE FOAM

ACTIVE MULTIFUNCTIONAL FOAM CLEANER

DISCRIPTION

Highly effective active cleaner for windows and all smooth surfaces. The foam adheres to the dirt and ensures a thorough and stripe-free cleaning.

CHARACTERISTICS

- Cleans and degreases a variety of surfaces and materials.
- Leaves no marks.
- Dries very quickly.
- Antistatic.
- Also suitable for plexiglass and polycarbonate.

APPLICATION

The foam works efficiently on windows, headlights and rims. Ideal for cleaning polished, chromed, painted and plastic surfaces. Also applicable on lacquered and enamelled surfaces and (imitation) leather. Removes grease, dirt, light resins, nicotine, shoe sole prints and insect residues.
