

SCREENWASH

WINDSCREEN WASHER FLUID

DISCRIPTION

Screenwash is a powerful methanol-free ready-made windscreen washer fluid and prevents the windscreen washer system from freezing to -20 degrees Celsius. The product cleans the windscreen of dirt and insects with a pleasant scent. The addition of special additives prevents the windscreen from freezing again and the nozzles from freezing up.

CHARACTERISTICS

- Pleasant smell.
- Methanol-free.
- Removes dirt & deposits.
- Biodegradable.

Contents: 4 x 5 litres/carton
